Batman continues to be the talk of upward trends. All sales are strong with 25 percent more increases in the new comic sales. Dealers report the last three months terrific, with new Batman collectors each month. The Batman and related back issues are as hot as the industry has seen. The publicity of the movie is just increasing all this, and many now say this movie will be a blockbuster. If this is true you all know what will happen to Batman and anything related to him - UP, UP, AND AWAY!!

The Prisoner is being released into an upward price spiral - along with Comic Odyssey where growing demand has revealed the same. Sandman is moving fast along with L.E.G.I.O.N. '89 - all good bets.

Batman look alike's? How about Cat Woman? She is touted by many as up and coming. Dealers report this book is as hot as "A Cat On A Hot Tin Roof". When dealers have them to sell they fly up off the shelves, and collectors complain the can't find them. Same day - sell-outs and limited availability is sending values up now in a big way.

This publication is designed to guide comics collectors in the most current comic values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also issue The Comic Book Price Guide by Robert Overstreet and The Comics Buyer's Guide by Krause Publications.

The comic values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of these values for major hot titles, and 30% or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT - A perfect comic in every way.

NEAR MINT - A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE - Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE - A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD - A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD - A very worn comic with creases, minor tears, cover flaking apparent. No tape.

FAIR - Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

All comic prices listed in this guide are for Near Mint condition.

Characters represented in this issue are copyright respectively by D.C. Comics, Marvel Comics Group, First Comics, Eclipse Comics, Gold Key Comics, Kitchen Sink Press, Warp Graphics, Eternity, Harrier, Solar Labor Graphics, Kitchen Sink Comics, Tru Studios. Top 100 list copyright Diamond Distributors.

FUTURE PICKS

By its nature Dante's Inferno was intended to be hot, Marvel intended its Inferno to be hot, it is, it is, it will be, X-Factor and X-Men X-overs are heading the list of Inferno issues which are rising across the country. X-Men, Marvel's champion now for more than ten years keeps moving upward.

What are water-color comics? If you don't know you haven't been reading Meltdown or you were afraid of blood or your memesis is where Dracula is the prime example - or Moonshadow was too ethereal. But, like it or not, many dealers and collectors alike are viewing Water Color Comics as the next big item in Comic Art. Demand for works of Jon. J. Muth, Kent Williams, and Bill Sienkiewicz are strong now.

She Hulk continues to be hot - John Burne continues to revive Marvel titles - Now look for Avengers to heat up when Bonny Prince Jonny takes over with #305.
